An Information, Education and Communication (IEC) Campaign on HIV/AIDS was organised by the District AIDS Control Officer, Kokrajhar, and hosted by the Internal Quality Assurance Cell (IQAC) of Gossaigaon B.Ed. College on 13 October 2026 at the Seminar Hall of the college.

Mr. Tarpan Deka, ICTC Counsellor RNB CIVIL Hospital Gossaigaon attended the programme as the resource person and shared valuable information regarding HIV/AIDS awareness and prevention. The campaign aimed to enhance students' knowledge of HIV/AIDS, its modes of transmission, preventive measures, and the importance of spreading awareness to eliminate stigma and discrimination against people living with HIV/AIDS.

More than 60 students participated in the programme with enthusiasm. The campaign helped promote awareness, encourage responsible behaviour, and develop a better understanding of HIV/AIDS among the participants.

The programme concluded with an emphasis on the importance of education, awareness, and collective responsibility in preventing HIV/AIDS and building a healthy and informed society.
